COMPETITION FORMAT AND RULES

COMPETITION LOCATION:

Indoor Wingsuit Stockholm,
Ranhammarsvägen 14, Bromma, Sweden

REGISTRATION OF PARTICIPATION:

Competitors are registered as teams (nationality mixing allowed) by sending below information to competition@inclined.se, before the first competition round is performed, and no later than 29 May 2021. Information to be provided: competition category (*Acro Intermediate* or *Acro Advanced*), team name, names and contact information of team members, nationalities.

Participation requires submitting a complete set of performance videos together with team member names and details before 30 May 2021 to competition@inclined.se.

COMPETITION FEE:

No registration fee applies. Indoor Wingsuit Stockholm organizes championships free of charge for competitors.

DISCIPLINES AND AWARDS

Results will be presented as a scoreboard per routine for each discipline, enabling team performance comparison/ranking for each routine. If a team fails to submit a complete program set, scoring of the missing routines will be set to zero. This means that a team can participate even with a portion of program missing.

Winners of each discipline will be appointed based on total program score, the sum of all routine scores.

AWARDS CEREMONY:

The final score and appointment of winners will be presented on the awards ceremony, held digitally, as communicated on competition page of website www.indoorwingsuit.com, 25 June 2021.

COMPETITION PERIOD:

Video contributions recorded at Indoor Wingsuit Stockholm 20 February - 30 May 2021 are accepted as competition contributions.

GENERAL RULES WINGSUIT ACROBATICS:

The general rules, judging guidelines and dive-pool for indoor wingsuit acrobatics compulsory routines are described in this document: https://www.sff.se/phocadownload/Tavling-regler/WS_Indoor_Rules_200429.pdf

EVENT SPECIFIC RULES:

Acro Advanced:

Program consists of four (4) compulsory routines and one (1) free routine. Working time is 90 seconds for each routine.

Each compulsory routine consists of three (3) figures from dive-pool, according to predetermined routine selection decided by competition organizer. E – fruity loops – is excluded in this competition.

The free routine is defined and judged according to FAI-rules of "Wingsuit Flying Competition Rules", see below document sections 5.7 and 6.2.7: https://www.fai.org/sites/default/files/documents/2019_ipc_cr_wingsuitflyingv2_0.pdf

Judging of free routine follows according to 6.2.7.1 but is adjusted for wind tunnel competition with fixed camera so that the Free-routine is evaluated using two (2) criteria: "style" and "dive plan". Judging criteria can be found in Addendum B of the FAI "Wingsuit Flying Competition Rules".

Acro Intermediate:

Program consists of four (4) compulsory routines, of which two (2) with belly flying figures and two (2) with back flying routines. Working time is 90 seconds for each routine.

Each compulsory routine consist of three (3) figures from dive-pool, according to predetermined routine selection decided by competition organizer. The dive-pool for the acro intermediate category comprises a subset of the full divepool with belly flying figures: A,C,G,L and additionally back flying version of the same: A-back fly (Ab), C-back fly (Cb), G-back fly (Gb), L-back fly (Lb).

COMPULSORY ROUTINES NOTIFICATION - INTERMEDIATE AND ADVANCED::

Competing teams will receive a document with compulsory routines definitions once they arrive onsite to Indoor Wingsuit Stockholm and have a completed registration for the comp.

ENTRY INTO SWEDEN::

As a participant in an elite competition, you're excepted from the EU travel ban. This means that any nationalities, traveling from anywhere in the world, will be granted entry into Sweden. Of course, you're still bound by the rules about showing a negative covid-19-test. See our [website](http://www.indoorwingsuit.com) for current rules.
