

**INDOOR
WINGSUIT**

Invitation to:

Indoor Wingsuit Stockholm and FK Indoor Wingsuiting Club in collaboration invites international competitors to join “WS Acro Tournament” an international Indoor Wingsuit Acrobatics competition.

The competition is organized as a tournament: open-ended registration of participants, competition routines allowed to be performed over an extended period of time, and submission of competition routines digitally.

Competition format and rules

Competition location:

Indoor Wingsuit Stockholm, Ranhammarsv. 14, Bromma, Sweden

Registration:

Competitors are registered as teams (nationality mixing allowed) by emailing below information to competition@inclined.se no later than 15th May 2022.

Registration info: 1. Team name, 2. Names, contact information of team-members and Nationalities, 3. Competition category (Acro-intermediate or Acro-advanced)

Submission of performance videos:

Competitors need to email performance videos for scoring to competition@inclined.se before 20th of May 2022. Multiple & partial submissions are allowed. FAI judges will score last submission for producing final score. A submission must include: Team name, Date of flight and Glide Ratio.

Club membership and Competition fee:

No registration fee applies, the Tournament is free of charge. All competitors will automatically and free of charge become members of the club: FK Indoor Wingsuiting Club.

Online competition results Leaderboard:

Preliminary results will be presented on the competition webpage under "Leaderboard". Scoring will be per routine for each discipline, enabling team performance comparison/ranking for each routine. If a team fails to submit a complete program-set (all routines) the score for missing routines will be set to zero. This means a team can participate even with routines missing.

Final results and Awards ceremony:

Winners of each discipline will be appointed based on total Program score, the sum of all routine scores, as scored by FAI-approved judges. This means the final score may change compared to preliminary scoring.

The final score and appointment of winners will be presented the 10th of June 2021 on the competition web-page that can be found on the website www.indoorwingsuit.com.

Competition period: Video contributions recorded at Indoor Wingsuit Stockholm between 16th of Feb to 20th of May are valid as competition contributions.
